LOCAL MISCELLANY.

THE SHEPHERDSTOWN AND HALTOWA TURNPIKE.—At a meeting of the stockholders of this Turnpike at Butler's Hotel in Shepherdstown, on Saturday last, Jno. H. Strider was called to the Chair, and Danl. B. Lucas appointed Secretary. It was found that over two-thirds of the stock was represented in the meeting, whereupon those present proceeded to organize and elect officers for the Company. John T. Honkle was elected President, and Messrs. Jacob Melvin, John H. Strider, David Billmeyer, J. P. A. Butler, and Isaac Dunt were elected directors. Danl. B. Lucas was requested to report to the Board of Supervisors at their next meeting that the necessary amount of stock had been subscribed, and the Company organized.

The turnpike bonds of the county, we are happy to state, are meeting with ready sale at par. An offer has been made, as we are informed, for the whole of them at a few cents below par, but the Board of Commissioners declined the offer.

HON. WM. H. TRAVERS AND J. B. MCKEY, Esq.—Now that the construction of the Shenandoah Valley Railroad has become a fixed fact, we cannot forbear making special mention of the member of the Board of Directors from this place, Hon. Wm. H. Travers, and J. B. McKey, Esq., Engineer of Section No. 1. From its first inception to the present time, Messrs. Travers and McKey have been ardent and zealous workers in this great enterprise, never ceasing their exertions for one hour until the same of their hopes was reached, and their labors crowned with success. To their untiring efforts, as well as those of the other officers of the road, and a few other prominent citizens in our midst, the people of Jefferson county owe a debt of gratitude. The engineering skill of the officers on this work is pronounced to be of the highest character.

THE METHODIST SABBATH SCHOOL PICNIC.—The picnic held by the Sabbath School of the M. E. Church, South, of this place, on Thursday last, was a very agreeable and interesting affair. At an early hour the school, together with a large number of parents and friends of the children, repaired to the woods of Andrew E. Kennedy, Esq., where they spent a joyous and delightful day until late in the afternoon, when the muttering thunder gave signs of an approaching storm, and the large party were obliged to hurry to their homes a little earlier than they otherwise would have done. Luckily all escaped the storm with the exception of about a dozen, the Superintendent among the number, who were compelled to remain in the woods, and came in an hour or so later, looking more like "drowned rats" than members of a gay picnic party.

STAMP YOUR RECEIPTS.—The clause of the new tax bill abolishing the tax on receipts, does not go into effect for some months yet. The clause in question provides that: "On and after October 1st next, the stamp tax imposed in schedule B on promissory notes for a less sum than \$100, and on receipts for any sum of money or for payment of any debt, and the stamp tax imposed in schedule C on canned and preserved fish, be, and the same is hereby repealed. And no stamp shall be required upon the transfer or assignment of a mortgage where it or the instrument it secures has once been duly stamped."

OUR MAILS.—Within the past week we have called been called on by a number of our subscribers living in different sections of the county, who complained to us about not receiving their paper for several weeks. The Spirit has been mailed to them regularly every week, and whilst we do not desire to charge our county postmasters with intentional errors, we would call attention to this matter and respectfully request them to be more careful in the future.

SUNSTROKE.—We learn from the Register that two cases of sunstroke occurred in Shepherdstown last week, one of which proved fatal. An Irishman named Daniel Leo, a carpenter, employed in the Paper Mill of Messrs. Ashton, Whelan & Tyndale, was suddenly overcome by the intense heat, about 2 o'clock, on Wednesday afternoon last, and died about two hours afterward.

Mr. Joseph Keys, employed at the Paper Mill, was also attacked by sunstroke, on Monday previous, but recovered in a day or two.

GOOD TEMPLARS.—At an election held on Monday, the 25th of July, in Lextown Lodge, No. 47, I. O. G. T., the following officers were elected for the ensuing term:—Isaac Thompson, W. C. T.; Casper E. Johnson, W. V. T.; Dr. Thos. H. Buck, W. S.; Geo. D. Johnson, W. F. S.; Geo. W. Nicely, W. T.; James T. Littleton, W. C.; Philip Morgan, W. M.; Joshua G. Fellows, W. I. G.; Philip A. Lewis, W. O. G.

RAILROAD MEETING.—A large and enthusiastic Railroad Meeting was held at Front Royal on the 18th ult., at which a general committee was appointed to canvass the county and obtain subscriptions to the capital stock of the Shenandoah Valley Railroad, on the condition that Front Royal be made a point on said road.

THE PROSPECTIVE CONCERT.—The concert to be given in aid of the Confederate Monument fund, will, we understand, be given in August or early in September. Extensive preparations are being made, and a rare musical treat may be expected.

MIGHT TRIUMPHANT.

Lo, a wonder and a mystery,
Startles an astonished world,
While it writes upon its history:
Butting right its banners furled,
Where the ranks of Might were hurled.

How our spirits stirred with wonder
At the fiery files alight,
While the cannons shook with thunder
All the land where marauded might
Butted with the ranks of Right!

Though heroes fought whose patriot names
Shall thrill through every age of time,
While many fold of Right inflames
The heart against the hand of crime,
And prompt the soul to deeds sublime!

Though such deeds were shown our foesmen
As would shake a heart of stone;
Though gallant men and tender women
Fought and prayed for Right alone,
Their bloody thousands still pressed on!

We yielded to a shower of hell
And cruel storms of iron rain
That bursting on our columns, fell,
And moved our men like falling grain,
And taught us that our hopes were vain!

And all heartstrings were snap and snarled,
And all cheeks were bathed with tears
When we saw Right trampled under
Marshaled Might, and brilliant years
Bring us naught but blackest fears!

But, though equal justice waits,
And challenges a world's surmise,
Not a single closed are Heaven's gates;
Not always shut to Freedom's sighs!
Not always shut to Freedom's sighs!

Everything passed off pleasantly, and the enjoyment was general. The Senior returns thanks to Mr. Geo. W. Shirley and wife for the hospitalities extended to him on the occasion.

P. S.—We learn from the Register that the woman had her shoulder broken, and the child was killed.

Being in Smithfield on Thursday last, we were shown by Mr. Joel W. Roberts a tomato weighing 1 1/2 lbs., raised by Mrs. Harley of that town. If any of our patrons can beat it, let them send in their samples.
